

## **A Request from Secretary Ron**

The Midyear Conference will be here before you know it, and I could use your help...

Governor-elect Mark Holmer and I are planning to put on a little show during the Conference that demonstrates ways to invite prospective members to your club meetings. Inviting guests to your meetings is almost always a necessary step to adding new members.

We're very interested in hearing about your experiences – good and bad – when it comes to getting guests to your meetings. We'd like to demonstrate and share the ideas that work well.

Please send your stories and ideas to me at [secretary@nikiwanis.org](mailto:secretary@nikiwanis.org). Thanks very much for your help with this. We're going to try to have some fun with it. See you at the Midyear!
