

Important Things about Membership

Clark Marshall, District Membership Chair

- We need new members.
- We need to retain our current members.
- We have a plan to accomplish the above two items.
- Our plan is not a new gimmick – we've had it for years, but most of us seldom use it.
- Our plan is easy and it gets results.
- If you want more information about our membership growth plan, contact me at 712-362-0431 or cmarshall@iowalakes.edu.
