

Many Hands Make Things Happen

Margaret Briggs, Kearney Golden K

"Many hands make things happen"! That adage has again been demonstrated in the Kearney community. Kearney Golden K Kiwanis, along with other Kiwanis clubs in Kearney, provided supplies for backpacks assembled by the Kearney United Way for needy school children this school year.

Well over 300 backpacks were assembled by Kiwanis, United Way and Bryant school personnel. Financial support from nine local banks supplemented funds from the Kiwanis clubs.

Banks participating in this important service project were Bank of the West, Charter West, Five Points, Nebraska National, Platte Valley State, Riverdale State, Tier One and Wells Fargo.
