

Kiwanis One Day

Alex Hull, Governor, Nebraska-Iowa Key Club District

“One Way, One Day, One K” is the motto of the new Kiwanis One Day. Saturday, April 7, 2007 is the launch date for a new Kiwanis International service initiative. On that day, Kiwanis clubs are asked to join with their Service Leadership Programs to perform a service project in the community.

Kiwanis One Day is an excellent way to create stronger ties between a Kiwanis Club and its Service Leadership Programs. When K-Kids, Builders Club, Key Club, Circle K and Aktion Club members join with Kiwanis Club, extraordinary things can be accomplished. The Kiwanis Family has over 600,000 members, and when 600,000 people join together on one day for service, an enormous impact can be made on the world.

Kiwanis One Day is also a good way to inform graduating seniors in Circle K about Kiwanis. It is also a good way to inform seniors in Key Club about Circle K and Kiwanis.

I hope every Kiwanis club joins up with their nearest Service Leadership Clubs and community volunteers to perform a service project on April 7.

If you need more information on Kiwanis One Day or Service Leadership Programs, information can be found on the Kiwanis International Web site at www.kiwanis.org.
