

Note From a Grateful Mother

“We just wanted to send a ‘Thank You’ to Kiwanis for the bear our daughter, Hanna, received at the clinic here in Spencer. She had an accident on Friday and needed stitches. Linda, Dr. Meyer's nurse, gave Hanna this bear, and she thought it was special. It sure helped her get through the trauma. Hanna named him ‘Stitches.’”

*Hanna and her new bear. It really put a smile on her face.
Cost of a Hug-a-K-Bear – \$3. Smile on Hanna's face – priceless!
One really can make a difference.*
