Version 1.0

Club Management System™ for Windows®

## The Future Arrives Today!

Managing your Kiwanis club with a personal computer is no longer a futuristic dream! Paragon Solutions LLC, in partnership with Kiwanis International, is proud to announce the release of the Kiwanis Club Management System, the only software custom designed to meet the needs of your officers as they work to manage the many details of today's Kiwanis club.

You can now have immediate access to information on members, meetings, service projects and more. All of your club's pertinent information is stored on your PC, making officer transition and club management functions quick, easy and efficient. By utilizing the program's extensive tracking and reporting features, your officers will focus their efforts on leading your organization rather than spending valuable time on paperwork.

## Flexible And Sensible

The Kiwanis club software is flexible and easy to use. Users familiar with Windows applications will find the graphical interface easy to understand. Because of the intuitive layout of familiar Kiwanis information, even those uneasy with computers can be up and running in just a few minutes! The system's flexibility is tremendous. Users

can take advantage of the preset Kiwanis defaults or you can customize the program to meet the unique needs of your club. Kiwanians get the convenience of a custom application without any programming headaches.

## Exclusive Features

The system is a must have for club secretaries and treasurers. Daunting tasks such as generating membership reports and invoices are now only mouse clicks away. The program's guest and membership tracking is teamed up with a comprehensive financial system that will keep your club's records accurate and polished. The image that club officers portray to members, guests and the public is extremely important. With the Kiwanis club software, your reports are always professional looking and up to date.

Some of the features of the software include the ability to:

- Track detailed Kiwanian and guest information including spousal data and multiple addresses.
- Assign members to committees.
- Track volunteers and service projects.
- Maintain an accurate record of club and individual awards.
- Keep attendance at meetings.

- Utilize wizards allowing you to complete complex tasks with ease.
- Submit official forms to the District and Kiwanis International Offices including the Official Monthly Report, the Semi-Annual Dues Billing, New Member Add forms and more.
- Create invoices for the entire club at one time.
- Maintain a custom chart of accounts and detail budget information.
- Reconcile multiple bank accounts.
- Print detailed member statements and other financial reports.
- Track Gifts from members.
- Exchange membership information between the secretary and treasurer.
- Purge inactive members and guests from the system.
